

## Von Braun Astrophotography Class

The Von Braun Astronomical Society is offering a beginner level class in astrophotography (AP 101). This course is designed for individuals with little knowledge of astronomy. It is planned for 3 sessions as outlined below. Cost is \$25 for VBAS members and \$30 for nonmembers.

- Session 1: Introduction to the night sky and equipment overview
- Session 2: A detailed look at planning an imaging session and equipment configuration
- Session 3: Data acquisition and introduction to data processing

Students must provide an email address when registering so the instructor can provide course materials.

Classes will be held on Tuesday evenings at the VBAS Planetarium in Monte Sano State Park. Classes will begin on April 29<sup>th</sup> at 7pm and last for 2 hours with a 15-minute break. Register by clicking on the link at [VBAS.org](http://VBAS.org). Our instructor is VBAS astrophotographer Don Reed.
